

Context Statement

Riverview Preschool is a full-time centre in Salisbury Downs within the Northern Adelaide Region. We currently have 53 children of which 9 are receiving Preschool Support for various issues, 11 children are receiving Bilingual Support. We also offer an Occasional Care throughout the week with both an under and over 2's program, which is fully integrated into the preschool sessions. Our focus for 2018 was on sustainability, nature play and loose parts. Throughout 2018 our new outdoor redevelopment was constructed and completed. This year we continued introduced Reggio Emilia influences and small group project work. In 2018 the preschool is in a joint playful literacies project with lower primary Riverdale students.
