

June 2nd 2021

This Term the children have been enjoying learning about animals. We started with farm animals and the food that grows on a farm. We've had the Rosie's Walk book focus where the children explored and learnt about positional language used throughout the book. They've also enjoyed looking after animals in the vet corner and our Dear Zoo book focus which helped us discuss what pets we can have and where animals live. It is part of our childhood Protection curriculum.

Reconciliation week

Reconciliation week focuses on building the relationships between the broader Australian community and Aboriginal and Torres Strait Islander peoples. It is an extremely important time and allows us to educate our young people of the role they play in collectively building and developing relationships and communities.

“Reconciliation must live in the hearts, minds and actions of all Australians as we move forward, creating a nation strengthened by respectful relationships between the wider Australian community, and Aboriginal and Torres Strait Islander peoples.”
